First Time Event Promises Exceptionalism

Close to 1,000 Swimmers to Compete

ROCKLIN, CA - April 12-13, 2013 - Woodcreek High School, with support from [Placer Valley Tourism](#), is hosting the first [Northern California Championship swim meet](#) at the Roseville Aquatics Complex in Roseville, CA. *This two day event begins at 9:00am both days and costs only \$3 admission for anyone to attend.* A standalone meet, the Nor Cal Invitational counts all times as qualifiers for the Sac-Joaquin Sections as well as USA Swimming times. The meet will provide top-notch competition in a fast pool while offering experience of swimming at a Trials/Finals swim meet.

It is projected that between 600 and 800 swimmers will participate in this year's Northern California Invitational Championship event. *Swimmers*, who qualify by meeting entry times by swimming in meets earlier in the season, **will represent Northern California including Bay Area and local cities** such as Roseville, Sacramento and Davis. All teams will be competing to see who comes out on top.

Watch high school swimmers compete April 12-13!

Grant Guensler, Woodcreek Head Coach, is bringing the Northern CA

Invitational for the first time to Placer Valley. *"We wanted to give...teams an opportunity to swim at the best facility in the section,"* says Guensler. *"Our purpose is to give the kids another opportunity to qualify for the sections by swimming in a fast pool against great competition."*
