#### ***Placer Valley to Host the Pacific Association Championship***

**ROCKLIN, CA** – May 29, 2013 – Around 1,200 Track & Field competitors will be participating in the upcoming Pacific Association Championship (PAC) meet on the weekend of June 8-9<sup>th</sup> at Whitney High School. PVT has partnered up with 60-70 teams from Northern California and Nevada will be visiting Rocklin to compete in this annual event. This year, the PAC has included an extra age group; for the first time, kids 6 and under will be included in the competition as Group 0.

The Pacific Association is the largest Track & Field program in Northern California. The PAC is an annual meet that rounds out the spring season with trophies and medals, however, the training won't stop until after the USATF Junior Olympic national meet to that is set to take place the last week of July in Greensboro, North Carolina. Track & Field is one of the most popular sports for young people

because of its diverse array of events that it encompasses; at the PAC, every event will be represented—including the javelin, mini javelin, pole vault, discus, shot put, high, long, and triple jump, hurdles, race walking and relays.

Top teams to watch include Oakland PAL, 3M, Central Valley, Roadrunners, Hilltop Speed, Oak Hill Racing, and one of Sacramento's local teams, Revolution Express Track Club. The meet will have a full snack bar and is free for spectators.
