USTA 18+ Mixed Sectionals Tournament

The best of the best in NorCal compete for a spot in Nationals

ROCKLIN, CA - Participants from all over Northern California and Northern Nevada come to Roseville to compete in the United States Tennis Association (USTA) 18+ Mixed Sectionals Tournament. This tennis tournament will be held from October 10-12 Johnson Ranch Racquet Club and 2 other locations in the Sacramento Region. All teams participating in this event are competing for a spot in the USTA League National Championships to be held in Tuscon, AZ in November. 350 teams have played since June in order to have a spot in this sectionals tournament. This tournament is highly competitive as the very best in both Northern California and Northern Nevada have fought hard against their opponents to make it here.

Teams are made up of one male and one female athlete, all competing at one of the six different levels. This year approximately 600 players, which consist of 60 teams, will come over the three days to compete.

USTA is the national governing body for the sport of tennis and the recognized leader in promoting and developing the sport's growth on every level in the United States, from local communities to the crown jewel of the professional game, the US Open.

Placer Valley Tourism has partnered with Johnson Ranch Racquet Club in all the tennis tournaments hosted at their complex.
